

Additional Activity

Interactions in Hollywood

Name _____

Date _____

Period _____

Purpose/To Do

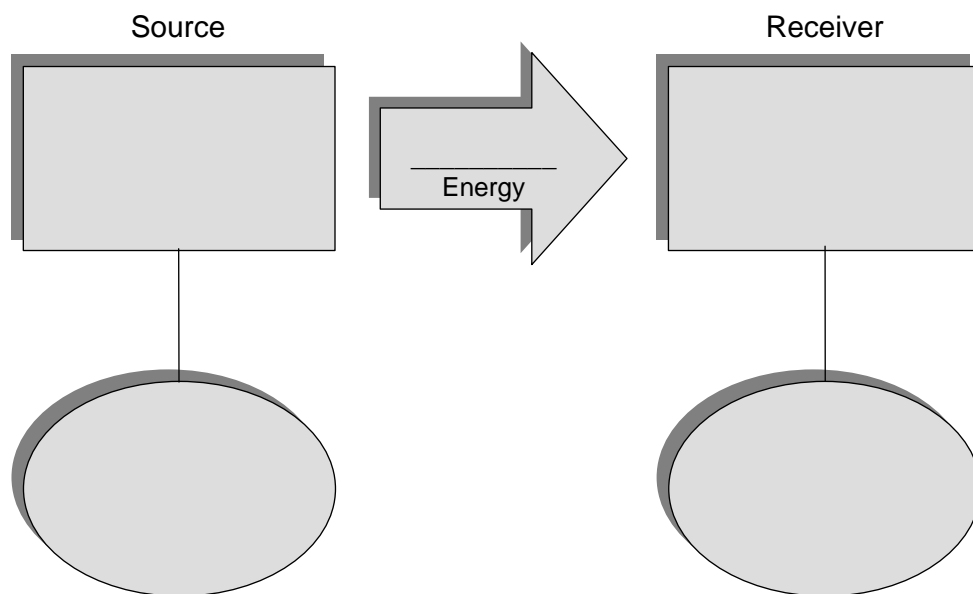

The purpose of this activity is to apply *InterActions* ideas to new situations. For this activity, you need to find **six** interactions that occur in the movie or video clip you are analyzing. Use the format below to analyze each of the interactions you choose. Space for drawing a **force diagram**, writing an **explanation**, and **evaluating** that explanation is available on page 2. You can use your own paper or make copies of this sheet.

Movie (year released)/TV show (episode, year): _____

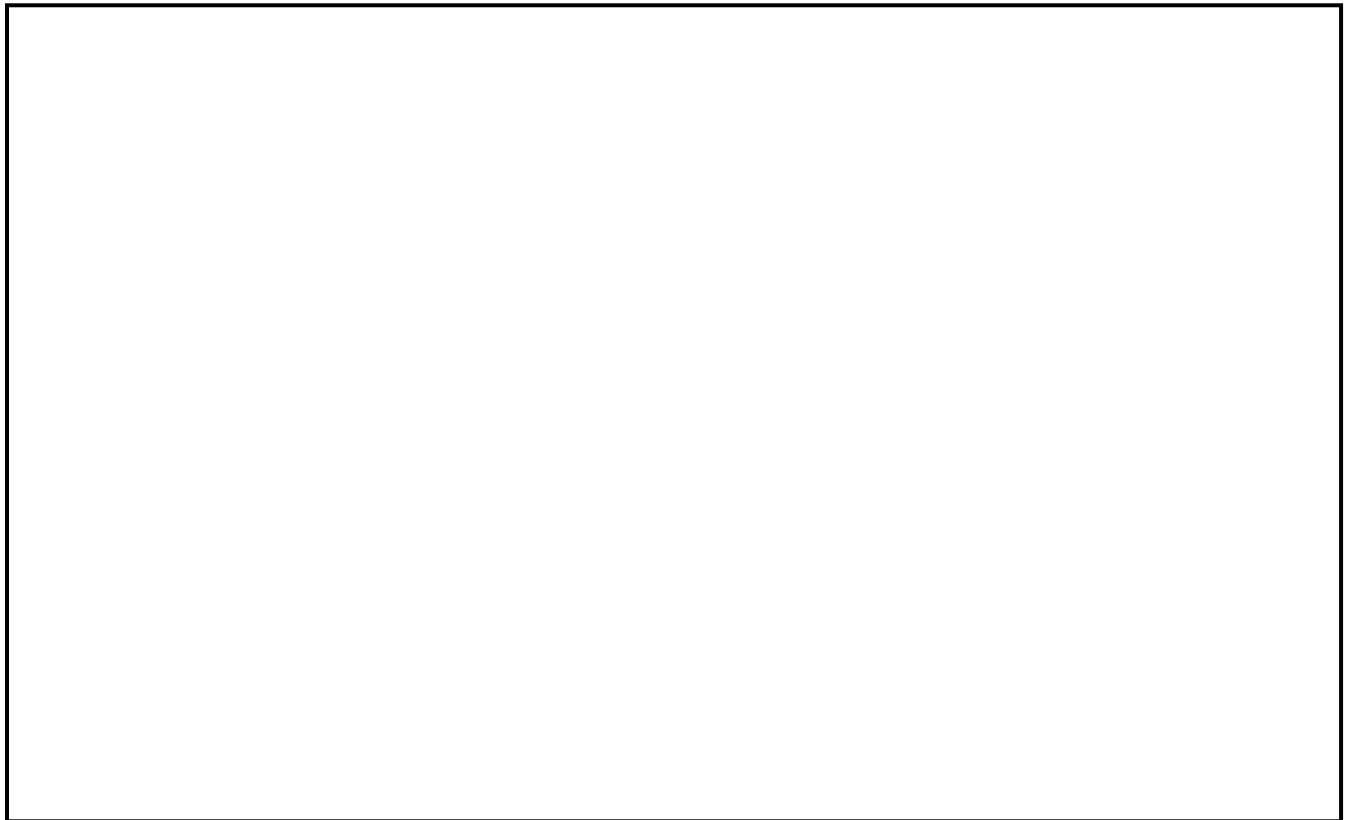

Scene description: _____

What is the evidence that an interaction occurred? _____

Type of Interaction _____

Force Diagram (mechanical and gravitational interactions only):

You observed certain changes in objects as evidence that an interaction occurred.
Explain why those changes occurred. _____

Evaluation of explanation (filled out by a partner if you have any): _____
